WORK EXPERIENCE

Universidad de Buenos Aires

PHYSIOLOGY ASSISTANT PROFESSOR

After a rigorous examination process, I was selected to develop as an Assistant Professor in the First lecture of Physiology at UBA. Since March 2020 I'm in charge of over a hundred students carefully selecting the educational content and creating interactive lessons prioritizing creating a comfortable environment where mistakes are welcomed and each student reaches their best version.

Instituto Leloir

PHYSIOLOGY INSTRUCTOR

Developing theoretical and practical lessons for second-year medical students in the area of endocrine and digestive physiology. I led the total amount of fifteen lessons being responsible for the content, execution and results.
