POINT OF INTEREST

I lived in the United States of America from 2013 to 2015, because of my father´s job who served as a leason officer for the Prefectura Naval Argentina. In addition, I worked as a Lift Operator at Boreal Mountain Resort as part of a Work and Travel program for three months in 2019. I was in charge of operating the lifts of the resort, organizing the entrance to them with the proper set up.
