RELEVANT EXPERIENCE

Proposal coordinator PwC, July 2023 - now

- Provide support to B2B US projects: design and development, adapt style and visual communication according to the brand and style guidelines
- Work with different offshore teams (India, Uruguay, Argentina) in order to to get all the needs of the proposal addressed, redirecting requests and coordinating tasks
- Collaborate closely with the PM (pursuit manager), writers, designers, CS (client strategists), and NPT coaches

Proofreader PwC, April 2024 - now

- Look for minor text and formatting errors and confirm the material is ready for submission. I also read the document for consistency in usage and layout, for accuracy in the text and references, perform a quality check, making sure the writer/editor has not missed anything, and I identify and fix/flag basic errors
