

# IVÁN PAGANO

<SOFTWARE-DEV />

## ABOUT ME

"I'm 25 years old and I have 15 years of experience coding"

Hi! My name is Iván and I'm in love with computers and software since I can remember.

I graduated from high school as "IT technician" and after that as "Systems Analyst" at university

And... Space isn't playing nice here. What do you say if we chat personally and I tell you all about it?

## DID YOU KNOW?

- I lead a group of professionals, We are programming a video game!
- I did musical comedy for two years!
- My college thesis was a multiplayer video game!

## LANGUAGES

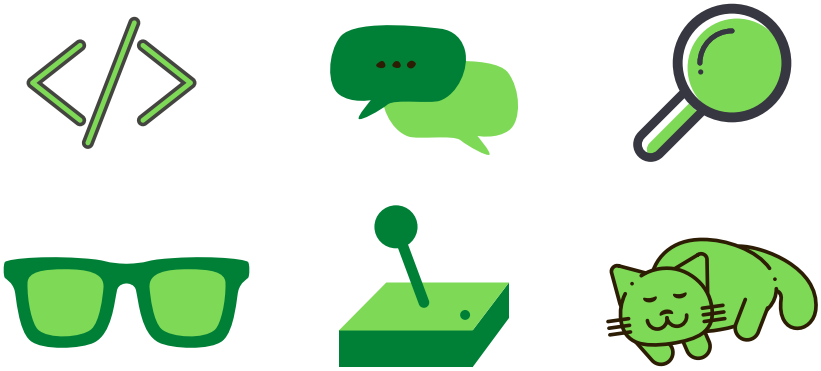

| | |
|---|---|
| **Spanish** | Native |
| **English** | We'll laugh a little about my pronunciation, but in the end we will be able to communicate and understand each other nicely |
