CRANE WORLDWIDE MENDOZA - ARGENTINA

Crane Argentina on year 2013 decided to locate strategically a second office in Mendoza.

Since this office was founded in September of that year, we have been building supply chain and logistic services for all the **Oil & Gas** companies that have big and mid size projects for oil and gas extraction in near provinces as Neuquen.

Our main services

- Custom brokerage for import / export operations.
- Airfreight
- Ocean freight via Chile.
- Trucking
- Project cargo

What we do for our customers?

- Cargo consolidation at origin stations.
- Ocean freight to Valparaiso / San Antonio, Chile.
- Truck delivery to Mendoza.
- Import custom brokerage.
- Local transportation to extraction zones.
