EXPERIENCE

Nov. 2021-Present	**SCOTIABANK CHILE – Corporate Finance, Corporate and Investment Banking** Associate Director: Leading transactions from origination to execution, direct contact with clients allowing a better understanding of their needs in order to propose the best solution. Working with analysts to help training them.	SANTIAGO, CHILE
Sep. 2020-Oct.2021	Associate: Origination, structuring and execution of local and cross-border lending transactions, for corporate and commercial customers. Preparation of proposals for internal committees together with banking, leading to constant exposure to customers. Review of legal documentation and following the funding process from beginning to end. Greatest achievement: Reviewing and coordinating complete transactions from origination to execution in Chilean and NY Law, assisting and advising clients to achieve successful processes.	
Feb. 2018-Aug. 2020	**SCOTIABANK CHILE – Corporate Banking** Credit Solutions Manager: Responsible of a specific corporate client portfolio with operations in different industries. Focused on providing the best solution for each client and situation: tailor-made proposals and annual reviews of our business relationship with the borrower, that include industry and customer analysis at qualitative and quantitative levels. Greatest achievement: Supporting a highly profitable portfolio within Corporate Banking by finding new creative ways for highly capable customers to continue choosing us as their main bank, while having access to all other banks in the country.	SANTIAGO, CHILE
Oct. 2016 - Jan. 2018	**HUMANA PEOPLE TO PEOPLE** Development Instructor: A theoretical and practical training in Michigan, USA, followed by a service period in Zambia consisting in rural community development projects in five different provinces in the country, mainly focused on child aid projects and community schools. A final closing period from USA for project reports and presentations. Greatest achievement: Creation and implementation of three programs regarding health, hygiene and education, which reached over 120,000 people.	MICHIGAN, USA / NDOLA, ZAMBIA
Aug. - Sep. 2016	**SAVE. ASSIST. OUTREACH - SAO Organization** Volunteer: Responsible of the management of ATTIKA Warehouse where non-food item donations received from all over the world are distributed to different refugee camps on the island. Direct work with other NGOs on the island such as Save the Children, Eurorelief, Caritas, HSA (official UN partner). Greatest achievement: Establishment of a logistics system that allowed easier preparation of orders and more efficient distribution routes allowing to service more organizations and reaching more refugees.	MYTILENE, GREECE
Dec. 2013-May 2016	**SCOTIABANK CHILE** Credit Solutions Analyst – Corporate Banking: Financial, industrial and business analysis together with loan structuring and pricing, among other studies that allow annual reviews of the existing relationships with corporate customers, as well as new financial proposals. Greatest Achievement: Specialization on Financial Institutions allowing a closer relationship between corporate banking and the trading desk for this type of customer.	SANTIAGO, CHILE
Apr. 2012 - Nov. 2013	**MANAGEMENT SOLUTIONS** Consultant: Primarily focused on the financial industry for different projects: preparation of a Business Continuity Plan; implementation of an Operational Risk self-assessment project; creation of a Master Plan for the implementation of a CRM; PMO for CRM project; PMO for an ODS implementation project. Greatest achievement: Leading and managing the PMO for two projects in parallel, with excellent results.	SANTIAGO, CHILE
