WORK EXPERIENCE

Legal Translator - Intern

The Hague Convention (2022 - present)

Professional practice at Pontificia Universidad Católica Argentina (UCA) as a 4th year student. In order to graduate and become a Certified and Sworn Translation (English<>Spanish), I am currently doing an internship with The Hague Convention on the Civil Aspects of International Child Abduction. Said fieldwork consists of translating legal documents such as Case Law, summary proceedings, rules of procedure (according to the each country), Statutes among other legal instruments. At the end of this practice, the University and the Hague Convention will issue a certificate stating my participation on the translation of these legal devices.

Digital Ambassador

SheSapiens - (2021 - present)

Representative of Argentina in the ambassador program.. Writing and creating content (writing, audio and video) for all social media platforms related to sustainability and environment.

Digital Ambassador

Israel21c - USA (2020 - present)

Writing about entertaining or educational material about environment and sustainability on my business Instagram profile. Posting my own material that is related to Israel21c material on environment.

Freelance Content Creator

eTHikel Marketplace - England (2020)

Writing content for the journal and newsletter of the company about sustainability, environment and circular economy.

ESL Teacher

International House Buenos Aires (2016 - present)

Teaching English to kids, teens and adults whose English skills are different. Planning lessons, examining students.

ESL Teacher in Company

Global Task S.R.L (2016 - 2018)
