EXPERIENCE

2023 - Accounting Analyst

Ernst & Young:

I perform balance sheet analysis explanations, post of entries in SAP, account reconciliations in OneStream, analysis of other profits and tax variations explanations, and bank reconciliations. I was also part of a transition where I developed SOP to standardize activities. During this process I learned to work intimately with English accounting language.

LANGUAGES

2021

English

Cambridge First Certificate

Overall score: 176

Level: B2

I am capable of writing emails, essays, and articles, as well as expressing my thoughts and undestanding texts. I have been working with colegues in the Unated States via Microsoft Team for about a year.
