

LUCAS RAMPOLDI

Support Agent | IT Support Specialist

PROFILE

Seven years of experience in technical support with customer service.
I consider myself a self-taught person with a high ability to solve problems; I am confident that I can play an integral and decisive role in the challenges and projects of the company. I have always been committed to using my skills to boost performance while effectively collaborating with my team, and I am always open to learning from them. I firmly believe that dedication, effort, and proactive attitudes make the team valuable.
