Declaration of No Child Labor

This is to certify that (Meizhou Sichao Fashion Design Co., Ltd.) strictly abides by national laws and regulations and does not employ child labor. If there is any false information, the company/factory is willing to bear all legal responsibilities.
Our company is fully aware of the importance of not using child labor. We will strictly abide by relevant laws and regulations to create a safe, fair and respectful working environment for our employees.

This is to certify.

1. Purpose of the Statement
This statement is intended to clarify our company's firm position and commitment to the policy of not using child labor.

2. Company Policy Our company firmly abides by all legal and ethical regulations regarding the employment of child labor and does not employ or use any form of child labor. We are committed to safeguarding the rights and interests of workers and creating a safe, fair and respectful working environment.

3. Definition
In this statement, "child labor" refers to people who are under the age specified by local laws and engage in any form of work or production activities.

4. Definition and identification of child labor
According to local laws, there are clear age limits for child labor. We will verify the age of all employees during the recruitment process to ensure that child labor regulations are not violated.

5. How the company prevents and opposes the use of child labor
We will strictly verify the age proof of employees during the recruitment process and will not accept any form of false information
We will conduct regular employee background checks to ensure that there is no child labor, and we will work closely with local labor departments and other relevant agencies to combat the use of child labor.

6. How to report suspected child labor
If you find or suspect any child laborers working in the company, please report it immediately to

the company's human resources department or local labor department. We will immediately investigate and handle it in accordance with the law.

7. Handling of policy violations

If any employee is found to have violated the policy of not using child labor, the company will handle it in accordance with the law, including but not limited to terminating the labor contract and reporting to the relevant departments.

8. Declarant's guarantee and liability

Our company guarantees to strictly abide by the policy of not using child labor. All employees must abide by this policy. I will bear all legal responsibilities for this statement and bear all consequences arising from the violation of the statement.

9. Effective date

This statement shall take effect from the date of signing, and the validity period shall be marked on the date of signing.
