Dear MISS P VEDOVA,

Your tax code for the year from 6 April 2013 to 5 April 2014 is 944L

EAT LTD will use your tax code to work out how much tax to take off the amount they pay you. You need to check that our information is correct. If your tax code is wrong you could pay too much or too little tax. Please keep your Coding Notice you may need it if we send you a tax return.

This is how we worked out your tax code:

Your Personal Allowance	£9440 (see Note 1)
a tax-free amount of	£9440 (see Note 2)

We turn £9440 into a tax code of 944L. EAT LTD will use this tax code to work out the right amount of tax to take off each time they pay you. We tell EAT LTD your tax code but we do not tell them how we worked it out.
If this is wrong or your circumstances have changed and you think it could affect the tax you pay, please tell us.

Notes

1 Nearly everyone who lives in the UK receives a Personal Allowance. This is income you can earn or receive each year tax-free. The amount you get depends on your circumstances. This tax year you are entitled to Personal Allowance of £9440.00. For more information go to **www.hmrc.gov.uk/incometax**

2 If your total employment income and taxable state benefit for the year is more than £9440 you will pay tax as follows:

- at 20% on the first £32010
- at 40% on income between £32011 and £150000
- at 45% on anything over £150000

We normally split your tax-free allowance into monthly or weekly amounts. This means you can get about £786 a month, or £181 a week before EAT LTD takes tax off you.
