Dashboard Guide

Risk Rating	The Creditsafe Rating works on a scale of 1-100 and predicts the likelihood that a business's payment performance will become seriously delinquent, defined as 90-plus days beyond terms within the next 12 months or that the business will go bankrupt.
DBT	Days Beyond Terms is the dollar weighted average number of days beyond the invoice due date that this company pays its non-financial accounts.
Credit Limit	The Creditsafe recommended credit limit is calculated using information from a company's payment record and from the payment records of similar companies. The company credit limit is our recommendation of the total amount of credit that should be outstanding at any one time.
Derogatory Legal	The number and value of tax liens and judgements filed in the last 6 years and 9 months plus bankruptcies filed in the last 9 years and 9 months, the total dollar value is shown in the brackets.
Payment Trend	Indicates whether the company's payment performance as measured by DBT trend is getting better or worse.
Inquiries Trend	Indicates whether the number of people viewing this company's credit report is increasing or decreasing.
Business Spend	Indicates whether the company's overall business spend is increasing or decreasing comparing the most recent 12 months to previous 12 months.
Possible OFAC	Indicates whether the company is possibly on a list of sanctioned businesses the US government prohibits US businesses from trading with under the Patriot Act.
Financial Past Due	The total delinquent dollars (not including charged-off) on open and closed financial accounts.

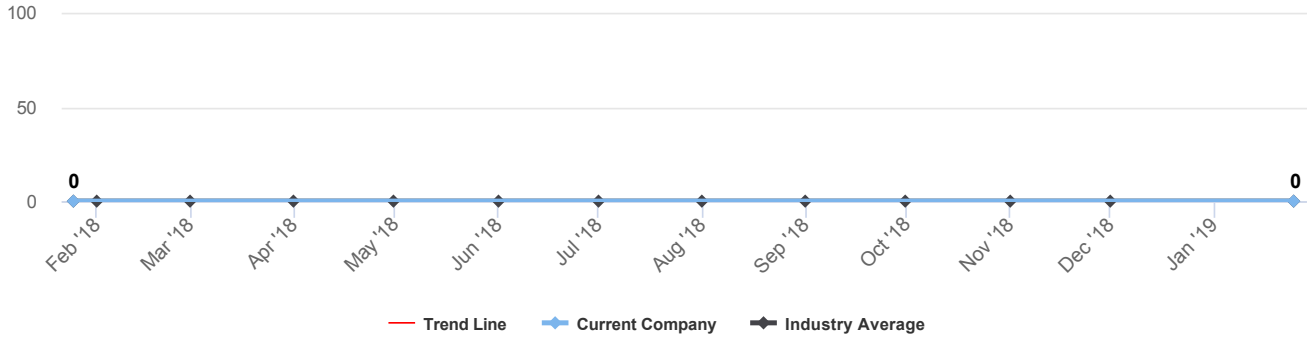

Enhanced Definitions

Enhanced Rating	The Enhanced Rating works on a scale of 1-100 and predicts the likelihood that a business' payment performance for both financial and non-financial trade accounts will become seriously delinquent, defined as 90-plus days beyond terms, or that the business will fail in the next 12 months.
Enhanced Credit Limit	The enhanced credit limit is calculated using information from a company's Financial and Non-Financial payment record and from the payment records of similar companies. The company credit limit is our recommendation of the total amount of credit that should be outstanding at any one time.
