SIMULATOR

H145 D3 FTD LEVEL 7

Certified simulator for:
• IR / CPL / ATPL / MCC • Type rating
• Proficiency checks
It also provides solutions for:
• H145 procedures and systems training
• Mission training (SAR, HEMS, Fire Fighting) • Crew Resource Management
Visual system
• Cylindrical dome display • Field of view of 200˚ x 70˚ • 6x 4K projectors

Entrol HD visual
• Worldwide terrain scenery • Mexico airport database
• Global navigation database • Mission scenarios
• Training heli-surfaces
• Additional custom airports • High resolution database

Enclosed Instructor Station
• Touch Screens
• Easy interface
• Full control of the simulation (Weather, failures, fuel, position,...)
