Insight through innovation

Date: 1 January, 2023 **Subject of letter: Corporate Structure**

The 2022 annual report shows all of our company directors on page 86 and 87. As part of a public limited company within the United Kingdom, due diligence is carried out on all directors prior to and during their appointment.

Due to General Data Protection Regulation (GDPR) rules within Europe and the United Kingdom where the board of directors work, we are unable to provide any personal information such as a personal identification or passport number.

If this is not adequate for your needs, I am unsure how we will meet this requirement.

Yours faithfully

Paul Hewitt
Director
