

THE MOST MODERN FLEET IN THE WORLD

Who we are

We are a Mexican company created in 2019, established to acquire and operate specialized vessels focused on the Oil and Renewables Industry

Only 5 months after being incorporated, we received our first ship called "ENAV Peregrina", which has remained since 2020 operating in Trinidad and Guyana with the majority of its crew of Mexican nationality for companies like Shell and CGX, today we are the largest shipowner in Mexico.

ENAV Offshore group in numbers

- 5 vessels
- 200 employees
