PERSONALITY

I am a proactive, creative, persistent and adaptive person.
I like learning new technologies. I like studying English. I drink two or three cup of coffe per day. I drink craft beer and I play football, basketball and videogames.

EXPERIENCE

INTERLINK 2013-Present
Software Engineer in R&D (research and development)

INCUWEBS 2012-2017
Freelance Personal Project

ENITI MEDIA 2011-2013
Full Stack Developer

Over the past few years I have helped to design and build online systems. I have experience developing back-end and front-end. I worked in freelance projects with people from Argentina, Colombia, Uruguay and Spain.
I really enjoy designing and developing new things.
