Nadia Giselle Barroso da Costa

Project Manager Scrum Master at Endava Latam

Summary

Moving from Manual QA to SM/PO.

On 2016 I received my Scrum Master (Fundamental) degree.

Willing to keep learning more on this new role. Positions in CABA: Microcentro. However, remote working is also a possibility I would gladly consider.

Also, I´m open to move to any company that has their offices in any Costa Atlantica´s city.

Experience

Endava Latam

2 years 4 months

Project Manager Scrum Master

June 2020 - Present (2 months)

Argentina

My responsibility as PM is to ensure that the project complete all that was agreed with the client, working day by day in all agreements set in the engagement.
As a SM, I'm in charge of being resolutive when the team need something. Also ensure Agile framework is followed. I deliver all ceremonies: Dailies, Groomings, Plannings, Retros, etc.

Scrum Master - Product Owner Jr.

July 2019 - Present (1 year 1 month)

Participating as SM and PO on a viable project.
As SM, my work consists in assure all ceremonies Scrum Framework suggests (Dailys, Planning/Grooming, Retrospectives, Demos). Be sure all objectives for the Sprint are commited and help the team to solve any impediment that may appear during duties.

As a PO, I create stories for the team and be ahead on future work for future sprints. Also have global and specific idea of we need and want for the project and help prioritize the work for the team. Keeping always in mind our goal.

Team members: 5 (without me) - 3 devs - 1 QA - 1 other PO helping

Project: this project is an internal tool that would help HR or Technical Interviewers to prepare questions for interviews, assign interviewers and complete all steps needed it to achieve the hire of the people.
