KEY SKILLS

- Good Excel skills as well as other Microsoft office tools.
- Knowleadge and good management of enterprise software SAP and Oracle.
- I am very usted to work with people from other countries since my position required me to constantly work with people from United States, Brazil, Chile, Colombia and Mexico. This gave me the opportunity to develop new english skills and learn how to work at distance.

LANGUAGES

- Spanish (native)
- English (Certificate in advance English)
