Curriculum Vitae

Personal Information

Name: Pagliaro, Luis Matías

Birthday: September 5th, 1989

Address: Navarro 6773, Rosario, Santa Fe

Telephone number: 341-4575345

Cellphone number: 341-3059991

E-mail: luispagliaro@gmail.com

Marital status: Concubinage

Professional Career Summary

I am an Information System Engineer graduated from Universidad Tecnológica Nacional, Facultad Regional de Rosario.

I have knowledge of a wide variety of programming languages and development methodologies, which allows me to adapt myself to be up to any challenge and to participate in any stage of the software development process. Regarding my soft skills, I am fast learner, proactive and flexible.

Currently, I am working in Endava since its merge with Velocity Partners in 2018 as full-stack developer, having worked previously in Globant from 2014 to 2015. I have also worked as a freelance web developer and software developer since 2010.

Education

Universidad Tecnológica Nacional - Facultad Regional Rosario 2008 – 2014

BS in Information System Engineering

Escuela de Educación Técnica Nº 466 "Gral. Manuel Nicolás Savio" 2002 – 2007

Technical Degree in Electronics

Professional Experience

Endava – Senior Software Developer September 2018 – Present

Project: Fixed Assets (June 2020 – Present)
Development of an API in the cloud using AWS infrastructure.

- Client: Bloomberg Tax & Accounting
- Role: Developer/DevOp.
- Responsibilities: Infrastructure setup and development.

- Client: Pablo Rodriguez
- Role: Web Developer.
- Responsibilities: Design and development of the website for Conceptus Eventos. The website for Conceptus Eventos includes information about the business, services, photos, contact, etc.
- Technologies: HTML, CSS, JavaScript, jQuery

Project: Legión Urbana Website (January 2011 - May 2013)

- Client: Matias Caamaño
- Role: Web Developer.
- Responsibilities: Design, development, and maintenance of the website for the band Legión Urbana. The website for the band Legión Urbana includes information about the band, photos, videos, songs and means of contact.
- Technologies: HTML, CSS, JavaScript, jQuery

Technical Skills

Programming Languages

Current:

- JavaScript (ES6)
- C#
- ASP.NET
- SQL
- HTML5
- CSS3

Others:

- PHP
- JAVA

JS Frameworks

Current:

- ReactJS
- React Testing Library

Others:

- Angular

JS & CSS Libraries/Preprocessors/Bundlers

- jQuery
- Bootstrap
- Webpack
- Less
- Sass

Others

- Working methodologies: Agile, UP
- Version control systems: Git, SVN, TFS
- Issue tracking system: JIRA
- Operating systems: Windows, Ubuntu, MacOS

Languages

- **Spanish:** Native
- **English:** B2 level according to the Common European Framework.

Certifications/Trainings/Courses

- School Of GraphQL (Endava - June 2020).
- School Of React (Endava - May 2019).
- Certified Scrum Master (Scrum Alliance - January 2017). Certificate
- AngularJS Advanced (Velocity Partners - August 2016).
- Certified Scrum Developer (Scrum Alliance - June 2016). Certificate
- Agile Software Development (Kleer - June 2016). Certificate
- ReactJS (Velocity Partners - April 2016).
- AngularJS (Velocity Partners - October 2015).
- Web UI Certification / Level 3 Track 2 Social Web. (Globant - May 2015) Topics: Web 2.0, Facebook API, Google API, Twitter API, FourSquare API. Certificate
- Web UI Certification / Level 3 Track 1 Html5 CSS3. (Globant - May 2015) Topics: New in HTML5, Embedding Media, CSS3, Html5 APIs. Certificate
- Web UI Certification / Level 2 Track 1 Presentation Developer. (Globant - May 2015) Topics: Semantic HTML, CSS layouts, User experience, Core jQuery, Event, effects, AJAX and jQuery UI. Certificate
- Web UI Certification / Level 1 - Track 2 - Web Development. (Globant - December 2014) Topics: Web Development Core Concepts, HTML Structure, Layouts, Introduction to CSS, Applying look & feel with CSS, Introduction to DOM. Certificate
- Web UI Certification / Level 1 - Track 1 - Introduction to Computer Programming. (Globant - December 2014) Topics: Introduction to Computer Programming, JavaScript Syntax, Operators, If and Switch, Functions, Iterations, Arrays, Strings. Certificate
- Web UI Globant Academy. (Globant - January 2015) Topics: HTML5, CSS3, JavaScript, jQuery, AJAX, Backbone. Certificate
- Object Oriented Systems Modeling Using Rational (IBM – December 2011).
