5 personas han recomendado a Gabriel

"I was Gabriel's co-worker for about 1 year, in which we shared a project and a client. Gabriel manages to combine technical knowledge, client management and team coordination in a solid way, having organized and at the same time fostered the growth of the account. At the same time, his knowledge of the English language and technology platforms have been a great plus in achieving this growth."

—Federico Macagno, Manager, Globant, ha trabajado directamente con Gabriel en Globant.

"Gabriel has worked with me in a project related with price business opportunities in different functional areas, He worked with me as a PO (Product Owner), he has shown excellent skills related to analysis and design solution, He always provided an excellent point of view aiming to the right solutions. He always tries to learn new things and move forward. He is a very good professional that can provide his knowledge and point of view in a very good way to help the client to accomplish the objectives. Something to highlight beyond the professional thing is that he helps to create a very good work environment with his special sense of humor and a good attitude."

—Victor Jose Lopez, Product Owner Lead, Accenture, ha supervisado a Gabriel en Accenture.

"I worked in the Business team with Gabriel, but we were POs for different scrums. Despite of this, we needed to talk a lot as our work was really related, and communication was never an issue. He was always available and had every detail needed, making the work for the rest of us really easy. Excellent professional that is always going to be a key part of any team."

—Leandro Lacave, Product Manager, CONTABILIUM | Simplifica tu gestión, ha trabajado con Gabriel en Accenture.

"Gabriel es un excelente profesional siempre con foco en la excelencia del producto a entregar. Durante el tiempo que trabajamos juntos demostró poder adaptarse a los proyectos más desafiantes y llevarlos al éxito. sin lugar a dudas volvería a elegirlo para que trabaje conmigo nuevamente"

—Jonathan Kuperberg, Product Owner Lead, etermax, ha supervisado a Gabriel en Accenture.

"Gabriel is a professional whose achievements are always outstanding. Plus, is a great co-worker who is always up to help. Has demonstrated to have developed several soft skills, what makes him a powerful leader."
