Current position: Medical Scientific Liaison

PROFESSIONAL SUMMARY

- Accomplished scientist with 10+ years of experience in blood science, immunology and molecular biology.
- Effective and confident science communicator, both oral and written.
- Outstanding soft skills allowing for the establishment of professional relations with TAEs, project management and problem solving.

EXPERTISE/SKILLS

Biotechnology	Scientific exchange
Genomics	TAE engagement
Hematology	Clinical research
Oncology	Scientific Presentations
Data analysis	Strong communication skills

PROFESSIONAL EXPERIENCE

2019-Present - Medical Scientific Liaison at Takeda

Job description:

- Building and maintaining professional relationships with TAEs
- Advisory Board organization
- Providing support for Investigator Initiated studies (IIS)
- Insight generation
- Participation in educational programs for other areas
- Participation in national and international scientific meetings
- Provide support to the access department

2018-2019- Assistant Researcher, Laboratory of extracellular vesicles and Immunology, INBIRS

2016-2017- Assistant Researcher, Laboratory of molecular parasitology, IIB, UNSAM

2013-2016- Postdoctoral Fellow, Laboratory of molecular parasitology, IIB, UNSAM

2008-2013- Doctoral Fellow, Laboratory of Experimental Thrombosis, IMEX, ANM

EDUCATION

2016- Postdoctoral Fellow in Molecular Biology, Universidad de San Martín

2013- PhD in Physiological Sciences, Faculty of Medicine, UBA

2007- Bachelor in Biotechnology, Molecular Genetics, Universidad Nacional de Quilmes

Relevant courses:

2019 - Design and interpretation of Clinical trials – Johns Hopkins University

2013 – Monitoring of clinical studies – FFyB - FEFYM

LANGUAGES

English: Advanced-Cambridge Certificate-Fluent conversation

French: Advanced-DELF Certificate

LECTURES/PRESENTATIONS IN SCIENTIFIC MEETINGS (Last 5 years)

A total of 37 communications in national and international scientific meetings since 2008

SCIENTIFIC PUBLICATIONS

Total number of articles published in peer reviewed International Journals: 16 (+2 in press)
