Experiencia

Internal and External Audit Associate en PwC
septiembre de 2017 - Actualidad (1 año 6 meses)

I play several roles performing the external audit of global power generation and development companies with a presence in several countries, I also worked on the audits of a large distributor of gas and electricity.

I am part of the Risk Management & Compliance Solutions team, specializing in Enterprise Risk Management and helping businesses understand and increase their ability to successfully manage risks, assisting them to establish the confidence in their ability to seek out and take those risks; risks that generate opportunities for their business.
