Extracto

I'm convinced that a good professional is someone who can demonstrate functional knowledge but overall good people leadership, someone who quickly adapts to the changes while enjoying the challenges. My experience working have given me valuable transferable skills that enable me not only to approach all the Business fields in the best way but also allows me to contribute, through my knowledge and experience, to the goals of the company.

My academic background has been further strengthened and expanded through my professional career at important companies.

I have a great sense of urgency, I like challeges and I find myself very agile and flexible.

Experiencia
