LinkedIn Profile

Personal skills

I am always eager to learn and to keep developing professionally. I enjoy team working and give the best of me to benefit common progress, respecting the working dynamic and organizational culture. I define myself as a responsible and dedicated worker, with profound attention to details.

Over the years I have built a strong international profile with experiences abroad, both academic and working.

I put great effort in keeping a positive attitude and like to be well organized and focused on my tasks.
