Work experience

- ***Tax Professional at Cargill Group (www.cargill.com)***
  From January 2019 to May 2019.
  Av. Leandro N. Alem 928 9th floor, City of Buenos Aires.

  Cargill Group is a privately held multinational company headquartered in Minnesota, USA, which operates in Argentina through several subsidiaries. It is one of the main agro-industrial exporting companies in the country and develops processing, commercialization, export, import (fertilizers) and customer service activities. Its current products and services are concentrated in grains, stockpiles, oils, flours, financial services and malt.

  I joined Cargill in January 2019, in the role of Tax Professional and reporting directly to the Head of Taxes of Argentina. My tasks had included tax planning, advice to the different business units, collaboration in the implementation of new IT developments (SAP, Oracle JDEdwards, other specific transactional systems), high-level supervision of the settlement of all direct and indirect taxes (corporate income tax IFRS, VAT, tax on minimum presumed income, wealth tax, provincial and municipal taxes on gross receipts, stamp tax, import and export duties, real estate tax and others), attention to tax audits.

- ***Head of Corporate Tax at Cartellone Group (www.cartellone.com.ar)***
  From december 2012 to January 2019.
  Av. Alicia Moreau de Justo 550 3rd floor, City of Buenos Aires, Argentina.

  The Cartellone Group is a multinational company based in Mendoza, Argentina. At the Corporate level, being the highest hierarchical position of Taxes, responsible for all the companies of the group located throughout Latin America (more than 60 tax entities). My responsibilities had included tax planning, advising the different management departments of operative companies and holding companies, coordinating the tax teams of subsidiaries in Argentina and abroad, as well as branches abroad; high-level supervision of the settlement of all direct and indirect taxes (corporate income tax IFRS, VAT, tax on minimum presumed income, wealth tax, provincial and municipal taxes on gross receipts, stamp tax, import and export duties, real estate tax and others), coordination of transfer pricing, litigation strategies, analysis of investment projects, analysis of international bids, planning of tax-free corporate reorganizations, collaboration in the implementation of new IT developments (Oracle JDEdwards).

  Tax executive with broad experience in all main aspects of planning and taxation in Latin American countries (focus in Argentina). General knowledge in accounting, auditing and financial management. Experience with Latin American regional projects. Senior experience in Direct Tax issues (corporate income tax including transfer pricing, financing, merge & acquisition/divestments). Also focus in indirect taxes. Enhance local tax optimization and mitigate tax risks. Design of strategy and give advice to different businesses in the tax field. Tax compliance and tax planning in many countries in the region (Argentina, Uruguay, Chile, Bolivia, Paraguay, Brazil, Perú, Ecuador, Panamá, El Salvador and others). Support different business division like: building of infrastructure works (construction of major, complex infrastructure projects throughout Latin America, including construction of dams to hydroelectric plants, motorways, railways, bridges, metro systems, airports, industrial and civil buildings), road concessions (construction of highways, toll roads), public utilities (distribution of natural gas, electricity distribution), agro-industrial businesses, steel mills, electric power transport, hydroelectric generation, wholesale electricity market, biofuels, bioenergy developments, mining services, oil & gas services, among others.

- ***Tax Supervisor for Argentina at Finning International - Caterpillar (www.finning.com)***
  From June 2010 to November 2012.
  Zeballos 2739, San Isidro, Province of Buenos Aires

  Finning International is a multinational company based in Canada and is the world's leading Dealer of Caterpillar machinery and equipment. It has activities in Canada, Chile, Argentina, Bolivia, United Kingdom, Uruguay and Ireland. It is a publicly traded company listed on the Toronto Stock Exchange. It carries out operations in Argentina through several subsidiaries, in different business units: import, sale of machinery and equipment for construction, mining, power systems, naval, repair and maintenance services, mining services, rental, power generation, real estate, export of goods. This great diversification allowed me to gain experience in many activities.

  Direct reporting to the Regional Tax Manager (located in Uruguay) and functionally to the Controller of Argentina. My responsibility for the companies of the Finning Group in Argentina had included: tax planning, advice to the different management and business areas, supervision of direct and indirect taxes (corporate income tax ARG GAAP – Canadian GAAP, VAT, tax on minimum presumed income, wealth tax, provincial and municipal taxes on gross receipts, stamp tax, real estate tax and others); attention to the different requirements of internal and external auditors, attention to tax inspections; proper application of tax and legal regulations, implementation and use of tax benefits; supervision and coordination of the tax team, collaboration in the implementation of new IT developments (SAP).

- ***Senior of Corporate Tax at EY - Ernst & Young (www.ey.com)***
  From April 2008 to May 2010.
  25 de Mayo 487, City of Buenos Aires.

  My responsibilities had included tax planning, supervision of the settlement of all direct and indirect taxes (corporate income tax ARG GAAP- US GAAP, VAT, tax on minimum presumed income, wealth tax, provincial and municipal taxes on gross receipts, stamp tax and others), attention to tax inspections; proper application of tax and legal regulations, implementation and use of tax benefits; supervision and coordination of the tax team.
