WORK EXPERIENCE

DEV SR. ASSOCIATE
ACCENTURE
APRIL 2018 - CURRENT JOB

Besides managing all internal communication for Workplace in Accenture (providing support to 4 countries in Hispanic South America), I create Power BI dashboards to follow our daily work and metrics, using Sharepoint Lists as data sources. I also help creating simple Sharepoint solutions, using Sharepoint Designer and InfoPath.

LANGUAGE TECHNOLOGY TRANSCRIBER
ACCENTURE
AUGUST 2016 - APRIL 2018

Audiovisual content transcription for a very important social network. These transcriptions were used to improve an AI, therefore, accuracy was key. I later worked on Quality Reviewing in the same area, assisting my co-workers and helping them in their daily work.
