Diego Andrés Arismendy Espinal

Date of Birth	Address
17.03.1989	Bartolomé Cruz 2353, Olivos, Buenos Aires

Buenos Aires, Argentina

3884969929

daarismendy@gmail.com

My greatest skill is the fast learing, Thanks to that i have developed different learning content in several programming languages and knowledge areas like (python, c++, c, java, javascript) cybersecurity, DevOps and all related with telematics. Moreover being persistent with my goals i began my own entrepreneurships, which gave me a lot of experience so this make me feel confident when I have to take important decisions..

ACHIEVEMENTS
