MURAL is a digital workspace for visual collaboration. We are on a mission to transform the way people work by making teamwork faster, easier, simpler, and more fun for everyone.

Our platform and services enable innovative teams to think and collaborate visually to solve important problems. People benefit from MURAL's speed and ease of use in creating diagrams, flowcharts, and frameworks, which are popular in design thinking and agile methodologies, as well as tools to facilitate more impactful meetings and workshops.
